INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GALAXY MEDICARE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Galaxy Medicare Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021, of the state of affairs of the Company as at 31st March, 2022, and its loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report thereon.

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have done, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021 as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure B

(Referred to in paragraph (f) of Report on Other Legal and Regulatory Requirements paragraph of our report of even date).

We have audited the Internal Financial Controls with reference to Financial Statements of **Galaxy Medicare Limited** ("the Company") as of 31st March, 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements include obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

A. K. SABAT & CO., Chartered Accountants

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements .

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 25: SIGNIFICANT ACCOUNTING POLICIES AND ADDITIONAL NOTES ON ACCOUNTS:

A.

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

- i. The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read together with Companies (Accounting Standards) Rules, 2021. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2 USE OF ESTIMATES

- i. The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods

3 REVENUE RECOGNITION

- i. Revenues/ Incomes and Costs/ Expenditures are accounted for under the Historical Cost Convention using accrual method of accounting.

- ii. Sales are recognised, net of returns of any, on despatch of goods to customers and are reflected in the accounts at net realisable value i.e. exclusive of Goods & Services Tax /Excise duty / Value Added Tax on the date of despatch of goods to customers

iii) Interest income

Revenue is accounted for on a time proportion basis taking into account the amount outstanding and the rate applicable.

iv) Dividend income

Revenue is recognized when the Company's right to receive dividend is established. Dividend from subsidiaries is recognized even if same are declared after the balance sheet date but pertains to period on or before the date of balance sheet as per the requirement of Schedule III of the Companies Act, 2013.

- v) Duty draw back and other benefits receivable on eligible export of goods manufactured are shown under "Other Income" as per rates applicable thereon

vi) Insurance claims:

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect the ultimate collection.

vii) Rental Income

Revenue is recognized on an accrual basis in accordance with the terms of the relevant agreement.

4 FIXED ASSETS

- i. Fixed Assets have been revalued by an external valuer as at 31.10.1998 and on 31.03.2017. Fixed assets are stated at carrying value based on such valuation less accumulated depreciation as per books of Accounts. Subsequent acquisition of the assets is stated at their purchase cost together with incidental expenses of acquisition.

- ii. Increase in valuation of fixed Assets on revaluation is shown under fixed Assets revaluation reserve Depreciation on revalued amount is charged to statement of profit and loss with a corresponding amount transfer from revaluation reserve to general reserve each year.

- iii. The Company has adopted Revaluation model for property ,plant and equipment for determining the gross carrying amount. The revaluation reserve created is not available for distribution to shareholders

5 DEPRECIATION

- i. Depreciation on Fixed Assets is provided on Written Down Method considering the useful life as specified under Schedule II to the Companies Act, 2013 except for assets which have been revalued by an external valuer. Depreciation on revalued Assets is Calculated on their respective revalued amount on written down value Method over the balance useful life as determined by the valuer Useful life recommended by technical expert for various revalued fixed assets are:

For these classes of assets, based on technical evaluation carried out by external technical experts, the Company believes that the useful lives as given above best represent the period over which Company expects to use these assets. Hence, the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013

- ii *Leasehold land is not amortized since the period of lease is 90 years.*
- iii *Items costing Rs 5000/- or less are depreciated @100% pro-rata*
- iv. *Depreciation on additions to assets or on sale/ discard of assets is calculated pro-rata from the date of such additions or up to the date of such sale/ discard, as the case may be.*

6 BORROWING COST:

Borrowing costs relating to the acquisition/ construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use

All other borrowing costs are charged to revenue

7 INVESTMENT

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

8 Investment Properties

Investment properties are properties held to earn rentals and/or for capital appreciation. Investment properties are measured initially at cost including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses. Any gain or loss on disposal of investment property is determined as the difference between net disposal proceeds and the carrying amount of the property and is recognised in the Statement of Profit and Loss.

9 Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the

10 INVENTORIES

- ii. Balances in the form of Current Assets and Current Liabilities (Except for procurement of Fixed Assets) in foreign currency, outstanding at the close of the year, are converted (in Indian Currency) at the appropriate rates of exchange prevailing on the date of Balance Sheet and the resultant loss or gain is taken to exchange variation and treated in the Profit and Loss Account

12 RESEARCH AND DEVELOPMENT

Revenue expenditure including overheads on Research and Developments are charged off as an expense through the natural heads of account in the year in which incurred. Expenditure which results in the creation of capital assets is taken to fixed assets and depreciation is provided on such assets as applicable.

13 EMPLOYEE BENEFITS

(i) Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering service are classified as short term employees benefits. Benefits such as salaries, wages, short term compensated absences, etc and the expected cost of bonus, ex-gratia are recognized in the period in which the employees rendered the related service

(ii) Defined Contribution Plans

Provident Fund and Employees State Insurance Scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognized during the period in which the employees renders the related services.

(iii) Defined Benefits Plans

Gratuity on account of services gratuity is covered under Gratuity-cum-Life Assurance Scheme of Life Insurance Corporation of India. Annual premium paid for the scheme is charged to Profit and Loss Account alongwith actuarial gain or losses.

Provision for leave encashment benefit is done on the basis of actuarial valuation.

14 TAXATION:

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes down the carrying amount of a deferred tax assets to the extent that it is no longer reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain as the case may be that sufficient future taxable will be available.

15 Current/Non-current Classification

All assets and Liabilities are classified into Current and Non-Current Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realized in, or is intended for sale or consumption in the entity's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realized within twelve months after the balance sheet date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for

16 Earnings per Share

Basic earnings per share are calculated by dividing the net profits or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.
